*The most anticipated week of the whole year... is always Spirit Week. Superhero day and nerd day were two new days that were added to the agenda this year. Nerd day came out in the polls as the most popular for students AND teachers to show their school spirit. You couldn't miss Mr. Doty in his suspenders! On jersey day you found juniors and seniors making plans for the upcoming powderpuff game. On blue and gold day, everyone went out and supported the volleyball team. It is easy to say that everyone is entertained HERE at Maroa-Forsyth during this crazy, yet spirited, week.*

On Wednesday night of Homecoming week, the girls sported their painted, glittery t-shirts and tights, and took the field. The game was full of rushes, a few dropped passes, and even a secret senior trick play. The seniors came away with the win, although the juniors put up a good fight. The girls HERE know how to play like the boys.

# HOMECOMING

2011

The students of MFHS piled into the bleachers in the chilly weather to compete and defend their class colors on Field Day. A variety of events took place including hula hooping, pie eating contests, rock paper scissors and even a pumpkin pass race. If you were there you might have seen Tim Younger as batman or even Dylan Berry as Fred Flinstone. As usual, the seniors won, but everyone HERE at MFHS enjoyed the day whether it be from the bleachers in their costumes, or on the field competing.

When 1 o'clock came around everyone poured in the doors of the gym to watch the Homecoming Assembly. The assembly would not have been the same without the annual senior skit, Mr. Adreon's TROJANS cheer, impersonations of Coach Jostes, and of course the football boys shaking it with the pom girls! **HERE** we do our assemblies so big even the local news stations are in attendance! Seniors Kayla Woolard and Jante Newbern were crowned royalty and memories were made that will never be forgotten.

# Homecoming Parade

On September 30, all Trojan fans line the streets in their blue and gold apparel ready to celebrate another great year. Here at Maroa Forsyth, the homecoming parade is a tradition not only the students look forward to, but the community does as well. Even with the uncooperative wind and weather, the homecoming parade was a success.

## ARGENTA OREANA 6

The Trojans pulled out another win against the Argenta Oreana Bombers . The game's turnout was no surprise. For the seniors, it was their last homecoming game, but they have left big expectations for future Maroa-Forsyth Football teams to carry on the tradition. This was one of the many wins the team earned over the season. The Trojans showed the Bombers how we do it HERE at Maroa-Forsyth.

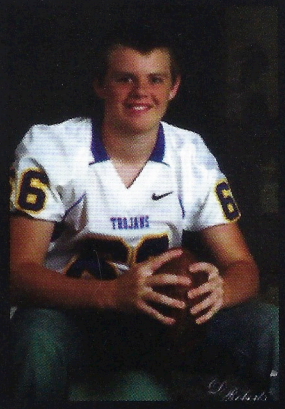
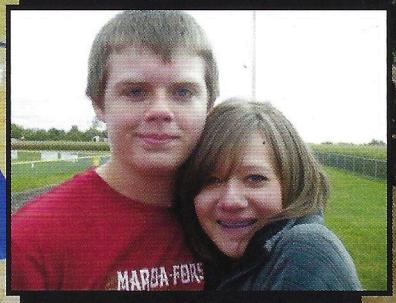
# In honor of Nic England



Nicolas (Nic) England was born on March 22, 1994 as the son of Ken and Cheryl England, and sister Rachel England. Nic was a student here at Maroa-Forsyth who loved to hunt, fish, and most importantly play football with his friends. He was known for always having a smile on his face, and goofing off. On July 2, 2010, Nic passed away as a result of a single-vehicle accident. Because he was a part of the graduating Class of 2012, we would like to take a moment to honor our beloved classmate. You are truly missed.

# you may be gone...
# but you will never be forgotten



"You have been one of my best friends since 6th grade. You're someone that I would go to for anything, you had the best advice. You became more like a brother to me over the years. I miss you beyond belief. I love you, Nic."

-Megan Hartman

**Q3:** What king of Babylonia handed down the first law codes in history?

Varsity Scholastic Bowl had an overall record of 4-13 this year during their regular season. Varsity also went 1-4 at the Okaw Valley Tournament, and they ended their season at regionals after losing to Blue Ridge. Junior Varsity Scholastic Bowl had an overall record of 11-7 this year during their reguar season. J.V. also went 5-2 at the Okaw Valley Tournament, and J.V.placed 4th place at that tournament. Both teams were coached by Mrs. Weedman and Mrs. Zelhart.

The best part of Scholastic Bowl: "It was a bonus question, math calculus, and only Avi could do it...he did them within 15 seconds, we called time and he won the game for us to move onto the next round of the tourney." Omar Dawood.

Future Community and Career Leaders of America is an organization with a diverse role HERE at MFHS. FCCLA was responsible for a variety of events at our school including a Safe Driving assembly, blood drives, recycling, Veterans Day assembly, and much more. As the name implies, FCCLA members are not only active at MFHS, but also in the community. There is no doubt FCCLA members learn valuable leadership skills and what it means to give back to our surrounding community.

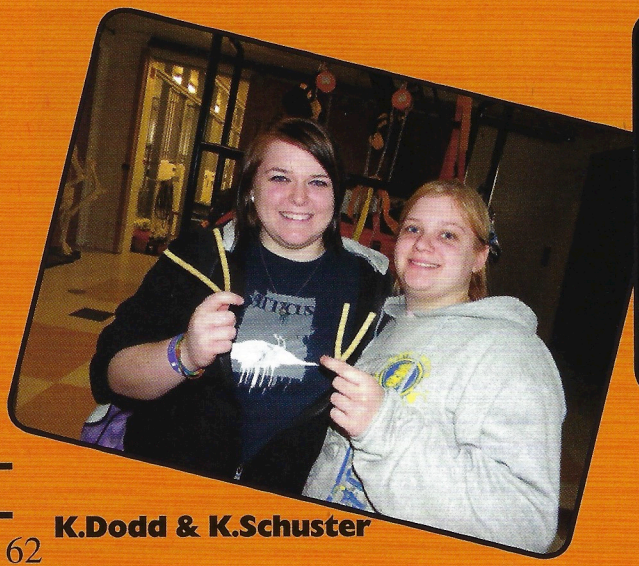
## Opportunities Of a Lifetime

The year started with a Chapter Trip to the Farm Progress Show in Decatur. Over 40 members attended for multiple events during the three day event. One set of students, Grace W., Austin H., and Blake W. placed second overall in the Tri-State Soils contest hosted by the Illinois extension offices. More than 15 students attended and worked for Pioneer Booth handing out popcorn as a public relations offering.

Our Fall hit the ground running with Soils contests, several pork chop sales and events for the farmers. A busy fall focused on the National Convention. Abby M, Samantha Dl, Dustin D., Ryan S., Chris S., Trent Y., Dylan M., Abbey L, and Carol W. attended sessions, workshops, and the largest youth career show in the country. Ag Sales, Food Science, and Parli Pro all were contests that MF FFA attended. In Food Science we were 2nd overall and in Parli Pro we finished 3rd overall.



K.Dodd & K.Schuster

T.Ortman, D.McCormick, and C.Scott

Winter brought a lot of opportunity for our officer team to step up and host a Farmer Safety Night. With Carle Foundation, ADM, Macon Co Farm Bureau we were able to educate over 60 farmers about the hidden dangers on their farm. All the officers organized, and Joe W, JT G, Caisey D, Alex R. and Grace Weikle all volunteered to make the night run well.
MF FFA also had our first ever Creed Individual Alex R. move on to District competition. Ryan S. and Grace W. were finalists for the section Green Hand award, and we had our third consecutive State Degree Nominee Grier G. Record Book Contest saw three members move on – Chris S, Grier G, and Ryan S will all compete at the District level. February also saw the completion of the Agricultural Greenhouse.
**HERE** at Maroa-Forsyth, FFA is always busy in the school and community. MF FFA was able to host a ski trip for members – over 27 members and parents choose to ski. We also hosted a ice cream social and teacher breakfast. Ag Day is always a huge draw for FFA members and the grade school students and serves an opportunity to display what the FFA and Agricultural program is all about at MFHS.

*Student Council is headed by Ms. Luedke and is in charge of organizing events and fundraisers for the whole school. Executive Board is an elite group of members who make the major decisions, but the rest of the council is made up of members of each class. Some of those events include Homecoming week, field day, Veterans Day, Matchmaker Surveys and the Spring Fever Dance. This year Student Council teamed up with Aeropostale to collect jeans for homeless teens. Student Council is a vital part HERE at MFHS and we are lucky to have them!*

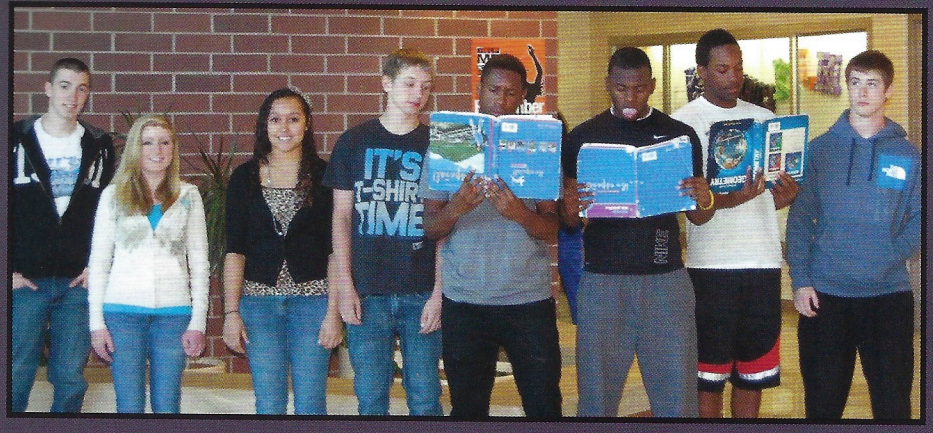
## HERE at Maroa Forsyth

YEARBOOK ISN'T JUST A BOOK WITH A TON OF PICTURES AND WORDS, BUT IT IS A PLACE TO RECOGNIZE ALL OF THE HIGHLIGHTS AND ACCOMPLISHMENTS THROUGHOUT THE SCHOOL YEAR. OUR YEARBOOK COMMITTEE WORKS TREMENDOUSLY HARD ALL YEAR AT MAKING THE BOOK A MEMORABLE SOUVENIR FOR THE STUDENTS TO CHERISH THE REST OF THEIR LIVES. THE COMMITTEE'S HARD WORK AND DEDICATION ALWAYS PAYS OFF IN THE END WITH PROVIDING WONDERFUL MEMORIES THAT ARE MADE..HERE.



Junior, Justin Mikeworth, is a new student who came to MFHS for 4th quarter. He says, "It actually made the year seem a lot shorter." Even as a latecomer, he had no problem making friends in his short amount of time as a sophomore here.

Every year, The Maroa-Forsyth High School student body adds a few new students. A few of the new students to our district are pictured in the photograph above We are excited to welcome them and hopefully help them feel like they are apart of our school and community.

# NEW STUDENTS & HEARTLAND TECHNICAL ACADEMY STUDENTS

This year, the old Decatur Technical Academy moved locations. Due to limited space, there were two locations for the New Heartland Technical Academy. These locations were balanced between Richland Community College, and The old Tech building. Although confusing in the beginning, the Tech Students this year thrived in all environments. For example, Chris Scott won first place in the Safety division of Fire Science. Tim Brelsfoard also did an excellent job of representing the achievement *HERE* at Maroa-Forsyth when he won first place at the Midwest Technical Academy in Springfield in the Welding division.

# HEE SPORTS

People don't play sports because it's *fun*. Ask any athlete; most of them hate it, but they couldn't imagine their life without it. It's a part of them, the LOVE/HATE relationship. It's what they live for. They live for the practices, parties, cheers, long bus rides, invitationals, countless pairs of different types of shoes, water, Gatorade, & coaches you hate but **appreciate**. They live for the way it feels when they beat the other team, and knowing those two extra sprints they ran in practice were worth it. They live for the way they become a FAMILY with their team, they live for the countless songs they sing in their head while training all those hours. They live for the ***competition***, they live for the friends, the practices, the memories, the pain. It's who they are. It's who we are.

I'd be lying if I said Maroa-Forsyth football was no big deal. Over the years we have been wowing every one all over the area with the talent our boys have. You probably will not meet someone who has not heard of Maroa-Forsyth football. The boys went 12-1 making it one game short of the state final round. There is no doubt that they would have had a great shot at being state champs if injuries early in the last game did not occur. The legacy of Maroa Football will continue on for years to come. You will never get more dedication from any one but the boys HERE at MFHS.

Nor will they forget the 21-5-1 record, the Cardinals' win of the OKAW tournament, other conference tournaments, or the outstanding finish of 4th place in the state tournament!**

From MFHS: N. Cobbs, B. Wombacher, M. Nashland, B. Luttrell

The lady Cardinals Soccer team faced many tough challenges this season. Despite battling injuries, the Cardinals were able to make it to the Regional Title game. There were four seniors from MFHS this season including Maggie Nashland, Brittany Luttrell, N'Dera Cobbs, and Becky Wombacher. There were also four seniors from Warrensburg. The team was forced to be extremely versatile because of all the injuries. The turning point this season was the Cardinals' win over St. Teresa. The coach, Kevin Emery, told the team to make a choice whether to be a winning team or stay a .500 team. The team decided to be a winning team and be determined to beat LSA in Regionals, even though LSA had won the previous two games. Accepting challenges and setting high expectations is what it's all about **HERE.** Although the Cardinals had a tough season, they bonded together to accomplish a winning season.

**Here at Maroa-Forsyth, girls volleyball holds a big legacy. Because of injuries, we were left with only two seniors who had a lot of work to do building up the underclassmen who were filling some very critical positions. Through summer two-a-days, long practices, and even a tournament in Riverton on homecoming, we made it through the season in one piece. We never would have made it through the season without Coach J-FLO, Coach Eagler, Matt Munjoy, and the devoted family and friends who made it to every game. The basketball team went 18-12 overall, and 10-6 in the OKAW Valley Conference. The Trojans lost in the second round of the semi-finals in Regionals. Coach Cluver said, "The team worked hard and played a tough brand of basketball." Almost every game was unbelievably close! Every year the team has trouble beating Monticello because of their height, but this year it was a close game. The final score being 72-75. Over all, the Trojans had a great season **HERE** at Maroa-Forsyth.

HERE at Maroa- Forsyth, Girls Softball has a tradition of excelling in the Okaw Valley Conference, and this season was no exception. Although this was a young team, they played each game with passion and skill that was evident to everyone. The girls' hard work paid off when they completed the regular season with a perfect record of 22-0 and finished the year at 25-1. The team successfully earned the title of Okaw Valley Conference Champions. Trojan Softball continued to earn their second consecutive Regional title in a nail-biter against Monticello.

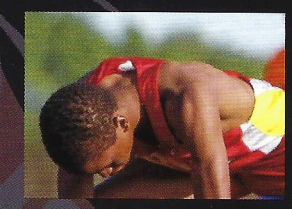
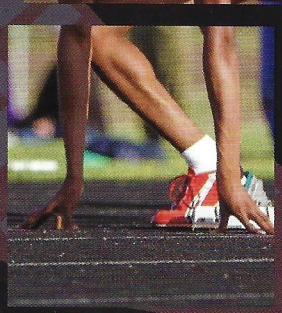
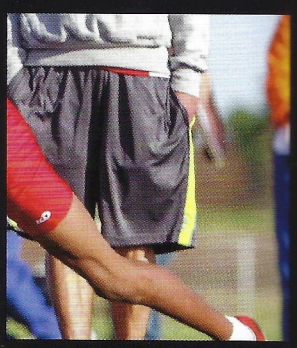
# WLMF

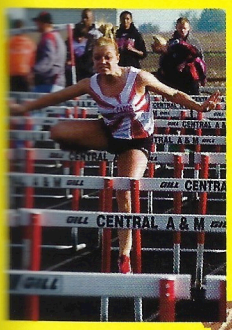
Both the girls and boys track teams had solid seasons this year. The track program faced many changes this year, one of the largest being that they moved up from 1A to 2A this season. Four seniors represented Maroa-Forsyth this year as Cardinal Track upperclassmen, including Brittany McKinney, Nick Livasy, Jante Newbern, Megan Hartman and Andrew Shore. Behind head coaches Vic Binkley and Michael Cery, the Cardinals Track team successfully placed in many individual events throughout the season as well as meets. At sectionals, Nick Livasy placed first in the Triple Jump and Josh Idachaba placed second in the 100-Meter Dash. Both Llvasy and Idachaba qualified for the State Tournament. WLMF definitely stepped up to the challenge of moving up classes and finished the year with some outstanding accomplishments **HERE**.

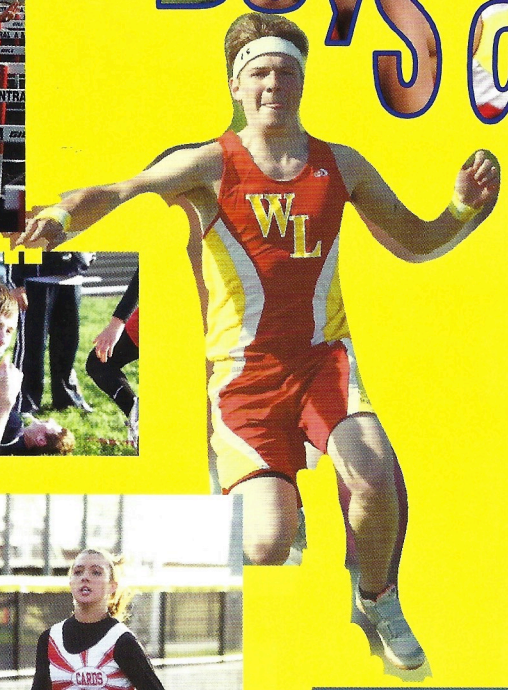


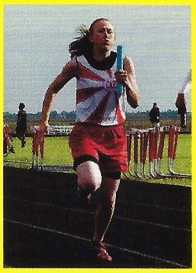


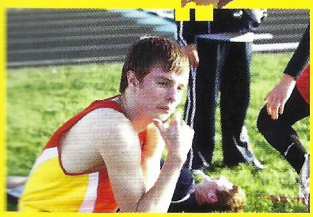


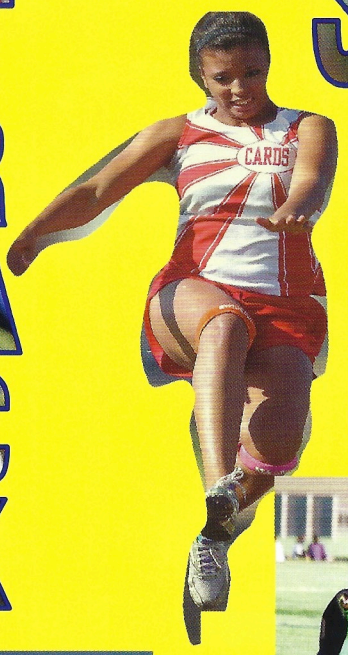
# Boys and Girls at TRACK

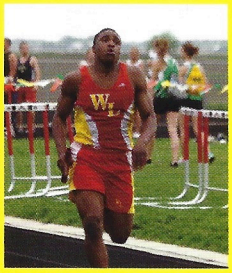


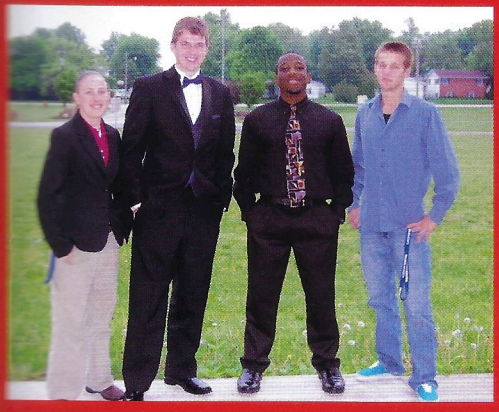


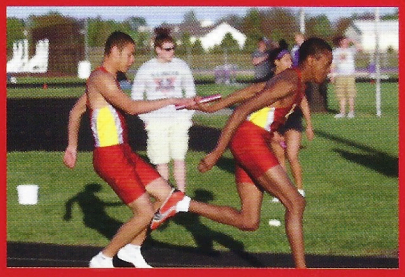


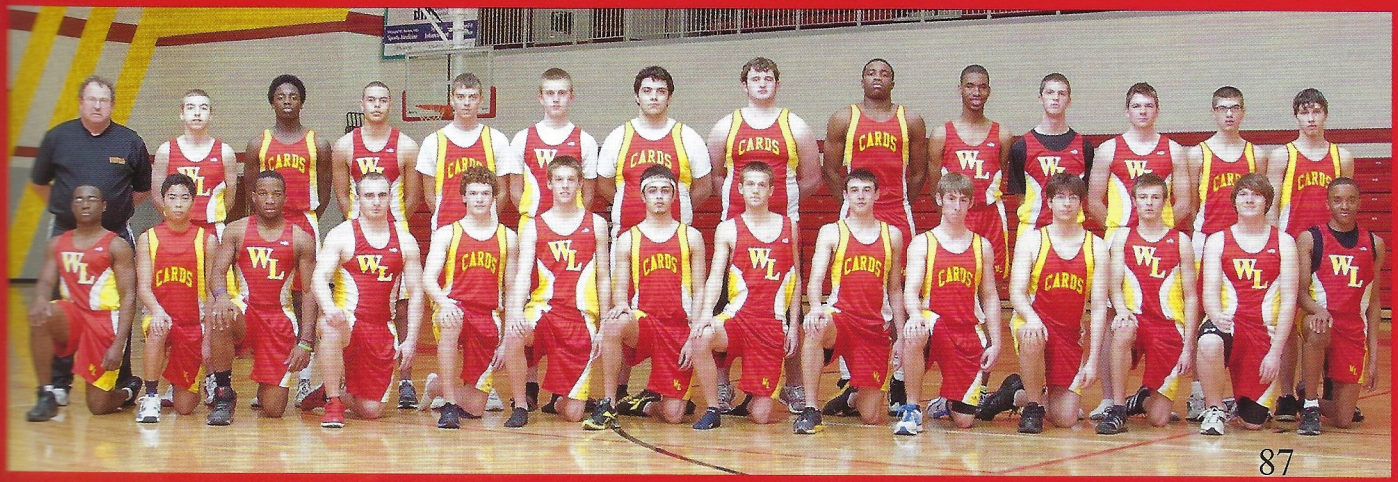




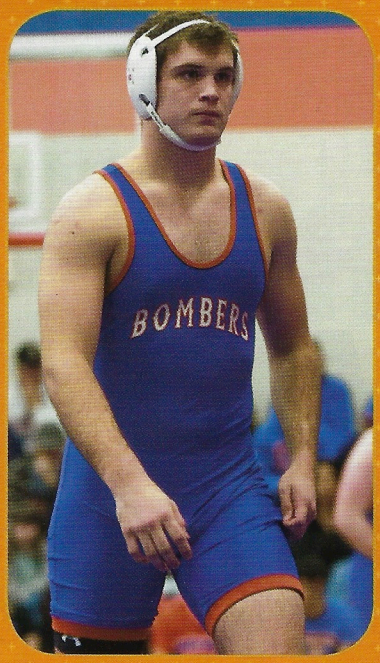


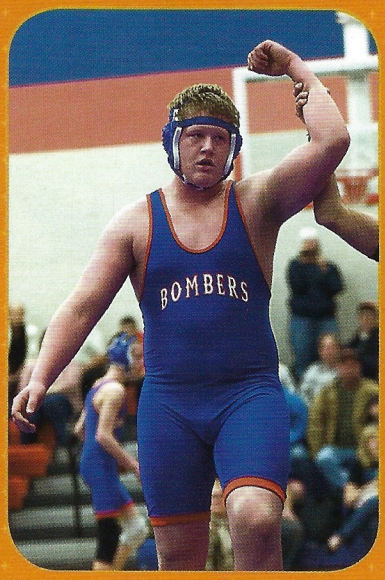


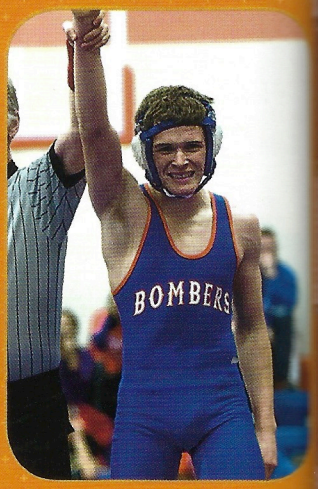


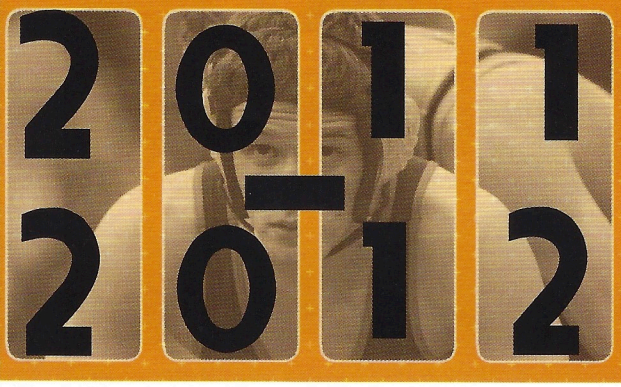


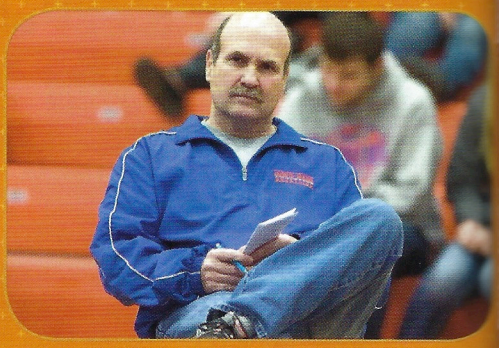
# WRESTLING











This year's wrestling team began the season with several injuries, but that didn't stop them. The wrestlers from Argenta-Oreana and Maroa-Forsyth came together as a team especially in time for the conference tournament. The wrestlers representing MFHS this 2011-2012 seasons were Aaron Memar, Chuck O'Neill, Arik Inda, Khalil Neal, Will Jordan, Sam Faber, Aaron Ford and Tyler Ortmann. As a team, their record was 121-21 and they were very successful considering they had only four losses at meets for the year. Individually, Tyler Ortmann and Aaron Ford both wrestled at the Sectionals tournament. Aaron Ford advanced to the State tournament held at the University of Illinois Assembly Hall and ended up placing an outstanding fourth place.

Ryan and Preston weighed in a six-bass limit, including one really nice smallmouth bass, for a total weight of 14.30 pounds. At Sectionals, Curt Beckman and Ryan Scott finished 4th overall, and Ryan had the big bass of the tournament (5.58lbs). Blake Sill finished 6th overall in the Sectional Tournament.Although not all members of the team compete at events, every member is busy in the spring fishing* **HERE** *after school and even hosting a fishing derby for children ages k-5.*

## STATE FINALS

Throughout conditioning, an intense camp with famous choreographers, football half-time shows, assemblies, girls and boys basketball, and competitions, the MFHS Trojanettes have enjoyed their 10 month season together. The Trojanettes are 14 hard-working dancers dedicated to their passion. The Trojanettes successfully qualified both their lyrical and pom-dance routines early in the season after placing first and second in numerous regional competitions. They were proud to finish off their season on the floor at U of I's Assembly Hall at IDTA state, placing fourth in lyrical and twelfth overall in pom-dance.

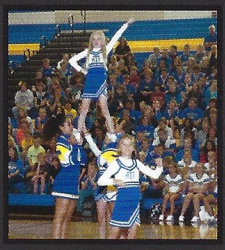
## F-I-G-H-T Fight Trojans Fight!

The lovely ladies at the Christmas Cheerleading dinner.

The cheerleaders at MFHS surely went above and beyond to support the team, promote positivity to everyone and raise the morale of the students. They organized game themes and spent hours toiling away at making spirited posters and decorations. The Maroa-Forsyth High School Cheerleading program takes pride in the fact that HERE they do far more than shake poms and yell "Go Team Go!" This year the cheerleaders worked hard to make supporting the team a blast! Junior cheerleader, Kelsie Becton, states "Our goal is to get everyone excited so that they cheer for the team. Support goes a long way; it makes anyone go much farther than they thought they could have gone. It is very important for us cheerleaders to stay super positive and put our best smile forward!"



The High School and Grade School Cheerleaders cheering together.

"Smile and wave girls, smile and wave." MFHS cheer team at the Homecoming parade.

# Maroa-Forsyth Band

The band program had a very memorable and successful year! Starting back in the fall, our marching band show was 'Classic Theme Songs' and we played songs such as 'Batman', 'The Flintstones', and 'The Pink Panther'. For the basketball season, our Pep Band added more modern songs like 'Party Rock Anthem' and 'Seven Nation Army'. In the Spring, we took about half of the members of the band to Disney World where we gave an outdoor concert and had a cool workshop where we provided the soundtrack to 'Beauty and the Beast'. Our concert band, for the first time since 1988, received a 1st Division rating at the IHSA Organizational Contest in Sullivan. All in all, it was a very fun year full of accomplishments and memories **HERE** at MFHS that will last for years to come!

***The Maroa-Forsyth Choir had a very busy year! They performed 4 concerts; Fall, Christmas, Classical, and Showcase. They also sang at the mall during Christmas, and hosted the Macon County Choral Festival. To top it all off, 27 students and 6 chaperons traveled to Walt Disney World in Orlando, Florida over spring break.***

# MFHS Presents: Footloose

Hannah Ritter (Ariel) & Matt Riley (Ren) star in the musical based of the 1984 film "Footloose". The story follows a group of teenagers and adults in a small town called Bomont restricted by a law forbidding them to dance. The teenagers rebel to get their right to dance back. Luckily we don't have to worry about that HERE. Everybody cut FOOTLOOSE!

# Senior Trip

On the last weekend before graduation, the senior class takes their annual trip down to the Lake of the Ozarks. There the seniors go shopping, enjoy swimming in the lake, and have fun dances every night all in order for the senior class to celebrate graduation. Senior trip is the last thing that the class of 2012 will do together. HERE in this small town, senior trip at the Lake of the Ozarks is an ever lasting tradition.

# Here's To The Night...

Prom two-thousand and twelve was a successful night full of great food, dancing, and memories. The juniors worked tirelessly to make this a night to remember, and their hard work paid off. Prom was held at the Decatur Country Club and consisted of a delicious pasta dinner followed by a night of dancing. 'HERE'S to the night' that MFHS seniors and juniors look forward to school all year.
